About Appian

Appian Asset Management is a leading Irish based and owned asset manager, managing a range of funds, which invest globally, to grow and protect our clients' assets while generating sustainable income. There are a range of 6 funds on offer each focused on different areas of investment. From global funds to property funds focused almost primarily on the Republic of Ireland, there is a fund to match any investment criteria.

Appian Euro Liquidity Fund

The Appian Liquidity Fund is an active fund which invests in primarily cash deposits but may also invest in short dated government debt, corporate debt and FRNs. Capital preservation with appropriate levels of return is the objective of the Fund.

Detailed due diligence and credit analysis is completed prior to any investment. Diversification of risk is achieved using different instruments and institutions.
